HIGHLEY**

BROCHURE 2025

EL work modular

A modular soft seating solution bridging the gap between formal banquette seating and work sofa.

A sister collection to our **EL** soft seating range, **EL work modular** is a seating system which can be used in a number of different ways; Linear runs of high back banquette style seating (with legs or plinths), modular low back layouts combining back-to-back and corner elements or more traditional high or low back sofa layouts featuring side tables, to name just a few.

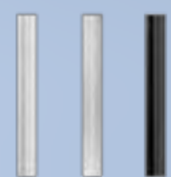

Whichever way you choose to arrange **EL work modular** its up to the task with integrated power and work tablets accessories making it an incredibly flexible soft seating range.

PRODUCT INFORMATION

- Soft seating range featuring working height modular units.
- Suitable for educational, breakout, collaboration & restaurant / cafe areas.
- Linking system
- Upholstery finishes are available from our fabric & faux leather bands. Leather available by quotation.
- Choice of base platform laminate finishes.
- Solid aluminium legs.
- Seat and back constructed from engineered layers of CMHR foam.
- This design can be tailored on request.

EL leg options

Solid aluminium
Cylindrical legs
Polished, Brushed or
Black powder-coated

EL base platform & table top options

Laminate
Base platform or Table top
White, Black, Oak, Walnut or Dark Oak

Integrated power

OE electrics Phase TUF

- Leather upholstery available by quotation only
- Bolster cushions can be added to many of our standard collection designs, please see the specific product pages for details.
- * Fabric metres- refers to plain not patterned fabrics.

Achieve bespoke levels of on site integration without the cost implications

Everything we manufacture is to order, as such we can **tailor** our standard collection furniture lets you achieve bespoke levels of on site integration without the cost implications, creating areas which may normally be restricted by budgets if looking at a custom-made solution. Fit furniture between walls or below windows, reduce sizes to fit your floor plan or integrate with on site features.

Tailoring allows you to make up to two modifications;

- Modify the width of the design.
- Modify the height of the design.
- Upholstery in a challenging fabric.
- Alter the leg type, finish or shape.
- Adjust the upholstery detailing.

Designs requiring more than two alterations are uplifted to “Bespoke” products and costed accordingly.

Look for this logo on our standard collection designs

Please get in touch and discuss your requirements with us.

Fabric bands

- Not all standard fabrics, vinyl's and leathers are suitable for all products within our collection. Please contact us to discuss your requirements
- Fabric and leather bands listed are for guidance only. We are happy to consider and offer an opinion on any alternative upholstery fabric or leather which does not appear on the above list in respect of it's suitability, pattern matching, or other features.
- Please contact us directly for pricing and Davison Highley approval when specifying an unlisted fabric or leather.
- We reserve the right to reject a fabric or leather on inspection, if we feel it is unsuitable or will compromise the quality of finish on the furniture. For example; some patterned or unyielding fabrics do not work well with sculptural shapes.
- Davison Highley cannot guarantee that a unlisted fabric or leather will match the upholstery finish achieved when using a fabric or leather from the above list.
- All listed fabrics meet a minimum fire rating standard of BSEN 1021 1&2* All other fabric and leather specifications are as per manufacturers details. Davison Highley will not upholster with a material which does not meet BSEN 1021 1&2.
- Additional charges may apply when working with some complex fabrics.
- As a natural material, leather will develop character (puddle and crease) over time. Although we will attempt to use the best cuts from a hide, some natural markings may still be visible.
- The maximum hide thickness we are happy to work with is 1.3mm, please speak to us directly if you would like to use a leather which is over this maximum thickness as it may be possible to "Skive" (reduce the thickness) of the leather. Additional charges apply.
- Davison Highley reserves the right to change the list of standard fabrics and leathers without notice.

*** APPROPRIATE FINISHES**
It is our clients responsibility to specify upholstery finishes appropriate to the area the furniture occupies and for its intended end use.

Should furniture be intended for higher risk or high traffic areas, for specific purposes and/ or require additional fire-retardancy treatment, please advise us. We can assist in selecting the appropriate upholstery finish.

- The charts to the left should be used in conjunction with the relevant design pages to establish the options available.

- When we make reference to particular timber (natural beech, natural oak, natural walnut) or laminate finishes (white, black, oak, walnut, dark oak), they refer to our standard supplied finishes only.

- We can match to a specific client specified colour, finish or material, but require either a sample or material reference.

- We reserve the right to reject a material or finish, if we feel it is unsuitable or will compromise the quality of finish on the furniture.

TIMBER FINISHES

Timber is a natural material as such colour and grain variations may occur. All our timber is either left in it's beautiful natural colour or stained before a clear lacquer is applied.
