

Skylon

by **DAVISON
HIGHLEY**

BROCHURE 2026

Skylon reimagined with contemporary versatility. Taking cues from its namesake, the soaring Festival of Britain landmark, the new **Skylon** includes high and low back chairs & sofas, modular corner options and irresistible comfort. It's a quiet nod to mid-century optimism, updated for the modern office.

PRODUCT INFORMATION

- Low and high back armchair & sofa range.
- Suitable for public, reception, waiting and breakout areas.
- Upholstery finishes are available from our fabric & faux leather bands. Leather available by quotation.
- Option of turned tapered solid FSC® timber or recycled aluminium legs.
- FSC® WISA plywood frame.
- Seat constructed from engineered layers of CMHR foam.
- Fibre fill back cushions.
- This design can be tailored on request.

- Skylon

RETAIL PRICE

code	description
PHS 01	White
PHS 02	Black

- Single 3 pin UK power + USB (Type A & Type C)
- Supplied with a 2 metre power cable

Achieve bespoke levels of on site integration without the cost implications.

Everything we manufacture is to order, as such we can **tailor** our standard collection furniture lets you achieve bespoke levels of on site integration without the cost implications, creating areas which may normally be restricted by budgets if looking at a custom-made solution. Fit furniture between walls or below windows, reduce sizes to fit your floor plan or integrate with on site features.

Tailoring allows you to make up to two modifications;

- Modify the width of the design.
- Modify the height of the design.
- Upholstery in a challenging fabric.
- Alter the leg type, finish or shape.
- Adjust the upholstery detailing.

Designs requiring more than two alterations are uplifted to “Bespoke” products and costed accordingly.

Look for this logo on our standard collection designs

Please get in touch and discuss your requirements with us.

- Not all standard fabrics, vinyl's and leathers are suitable for all products within our collection. Please contact us to discuss your requirements
- Fabric and leather bands listed are for guidance only. We are happy to consider and offer an opinion on any alternative upholstery fabric or leather which does not appear on the above list in respect of it's suitability, pattern matching, or other features.
- Please contact us directly for pricing and Davison Highley approval when specifying an unlisted fabric or leather.
- We reserve the right to reject a fabric or leather on inspection, if we feel it is unsuitable or will compromise the quality of finish on the furniture. For example; some patterned or unyielding fabrics do not work well with sculptural shapes.
- Davison Highley cannot guarantee that a unlisted fabric or leather will match the upholstery finish achieved when using a fabric or leather from the above list.
- All listed fabrics meet a minimum fire rating standard of BSEN 1021 1&2* All other fabric and leather specifications are as per manufacturers details. Davison Highley will not upholster with a material which does not meet BSEN 1021 1&2.
- Additional charges may apply when working with some complex fabrics.
- As a natural material, leather will develop character (puddle and crease) over time. Although we will attempt to use the best cuts from a hide, some natural markings may still be visible.
- The maximum hide thickness we are happy to work with is 1.3mm, please speak to us directly if you would like to use a leather which is over this maximum thickness as it may be possible to "Skive" (reduce the thickness) of the leather. Additional charges apply.
- Davison Highley reserves the right to change the list of standard fabrics and leathers without notice.

*** APPROPRIATE FINISHES**
It is our clients responsibility to specify upholstery finishes appropriate to the area the furniture occupies and for its intended end use.

Should furniture be intended for higher risk or high traffic areas, for specific purposes and/ or require additional fire-retardancy treatment, please advise us. We can assist in selecting the appropriate upholstery finish.

- The charts to the left should be used in conjunction with the relevant design pages to establish the options available.

- When we make reference to particular timber (natural beech, natural oak, natural walnut) or laminate finishes (white, black, oak, walnut, dark oak), they refer to our standard supplied finishes only.

- We can match to a specific client specified colour, finish or material, but require either a sample or material reference.

- We reserve the right to reject a material or finish, if we feel it is unsuitable or will compromise the quality of finish on the furniture.

TIMBER FINISHES

Timber is a natural material as such colour and grain variations may occur. All our timber is either left in it's beautiful natural colour or stained before a clear lacquer is applied.

Our mission is to design and Sustainably Manufacture furniture to transform our customers environments

At Davison Highley we design and manufacture sustainable furniture to transform our customers environments. This is underpinned by our 3 sustainability values; **Responsibility:** Acting with Integrity.
Dedication: Dedicated to our customers.
Creativity: Passion for design sustainability

100% of the timber we source is FSC[®] certified

Local supply chains source 90% of the materials used in manufacture from within a 60 mile radius of the High Wycombe workshop.

86% of our waste is diverted from landfill

Over 90% average recyclability across our products

Sustainable foams, which are manufactured using a percentage of renewable & recycled raw materials are used where possible

All the electricity we use to manufacture our furniture is from 100% renewable sources

All of our products are UK manufactured

RE- Scheme

Rather than replace, we encourage our clients to instead to talk to us about using our RE- scheme to Refresh, Repair, Renew, Reupholster, Revitalise, Repurpose, Redesign, Restore or Reimagine existing Davison Highley furniture.

Each project is individually assessed to determine what needs to be done in order to increase the longevity of the furniture. Please get in touch and discuss your requirements
